

Western Massachusetts
Electric

Energy Efficiency Rebate Application

Terms and Conditions

Customer Eligibility: You must be a residential Western Massachusetts Electric company (WMECO) customer installing Equipment between January 1, 2013 and December 31, 2013. Equipment must have been installed in a 1-4 family home with an active residential Western Massachusetts Electric Company (WMECO) account. Honeywell Utility Solutions (Honeywell) must receive application and required documents listed within 60 days of installation.

Post-Installation Verification: Prior to offering any rebate, Western Massachusetts Electric Company (WMECO), reserves the right to conduct an on-site verification that the equipment was installed according to the guidelines of the program. It does not include any kind of safety review and should not be relied upon as one. If WMECO determines that the equipment installed does not meet the program specifications as described in the application, WMECO reserves the right to refuse to pay the rebate.

Rebates: Subject to these Terms and Conditions, Western Massachusetts Electric Company (WMECO), through its contract with Honeywell, will pay rebates to eligible WMECO customers for the installation of qualified equipment in WMECO service territory.

Rebate Application: The Customer is responsible for completing all required information on the Rebate Application. Rebate applications will not be processed if they are not properly filled out.

Applications must include:

Thermostats

☐ Dated Receipt and original UPC code form the package(s)

Indirect Water Heater

☐ Dated receipt/invoice/work order noting completion of installation

High-Efficiency Oil or Propane Heating System

☐ Dated receipt/invoice/work order noting completion of installation

☐ A copy of the manufacturer's specifications sheet for the installed heating system to verify the size and AFUE rating of the equipment

☐ A copy of the sizing calculation for the installed system

On-Demand Water Heater

☐ Dated Receipt/invoice/work order noting completion of installation

☐ A copy of the manufacturer's specifications sheet for the installed On-Demand Water Heater

Weather Responsive Controls for Oil or Propane Forced Hot Water Heating Systems.

☐ Dated receipt/invoice/work order noting completion of installation

No Warranties: WMECO and HONEYWELL do not make any representation of any kind regarding the results to be achieved by the equipment or the adequacy of such equipment. Western Massachusetts Electric Company (WMECO) expressly disclaims any and all warranties or representations of any kind, whether oral, statutory, expressed or implied, including, without limitation, warranties of merchantability, usage, suitability or fitness for a particular purpose. Contact your contractor for details regarding equipment performance and manufacturer warranties.

Changes in the Rebate Program: The program and these Terms and Conditions may be changed by WMECO or HONEYWELL at any time without notice.

Permits and Licenses: The Customer must select Contractors who carry appropriate insurance coverage and licenses, and who obtain appropriate permits for the work being performed. WMECO and HONEYWELL are not responsible for any damage that may be caused by or arise out of an installation of any equipment.

Liability: WMECO is not liable for any Customer damages that may occur as a result of the termination of this program beyond the amount of the rebate.

No Tax Liability to Western Massachusetts Electric Company and Rebate Administrator: Western Massachusetts Electric Company (WMECO) and the Rebate Administrator are not responsible for any tax liability which may be imposed as a result of receipt of the rebates by the electric utility to the customer.

Eligibility

- You must be a residential Western Massachusetts Electric Company (WMECO) customer
- You must participate in the MassSAVE program
- Eligible equipment must be installed in a 1-4 family home
- Rebate is valid for purchases and installations made between January 1, 2013 and December 31, 2013
- Applications must be received **within sixty (60) days** of installation
- Rebate does not apply to new home construction or additions

- Work is subject to post-installation verification
- Additional restrictions may apply. For more information, call 1-800-666-3303
- Program subject to change without notice.

Eligible Equipment

Rebate

Thermostats:

\$25 per thermostat

ENERGY STAR qualified or digital 7-day programmable thermostat(s) in an existing home that controls an oil or propane fired heating system only.

Maximum of 2 thermostat rebates up to \$50.

Rebate amount not to exceed the cost of the thermostats.

Indirect Water Heater:

\$300

The new indirect water heater must be attached to an oil- or propane-fired heating system.

Must be replacing freestanding or tankless water heater.

High-Efficiency On-Demand Water Heater:

\$300

Propane Only

.82 EF (Energy Factor) or greater with Electronic Ignition

High-Efficiency Oil or Propane Heating System:

\$300- \$500

All replacement heating systems must have an Annual Fuel Utilization Efficiency (AFUE) equal to or greater than the value noted in the following table.

System Type	Rebate Amount	Propane-AFUE	Oil- AFUE
Furnace	\$300	95%	83%
Furnace with ECM* Blower	\$400	95%	83%
Steam Boiler	\$400	82%	82%
Hot Water Boiler	\$500	90%	85%

*Electronic Commutated Motor

The new System(s) must be sized based on the actual load calculations for the building according to ACCA Manual J, Manual S, IBR load calculation, or equivalent sizing methods.

Weather Responsive Controls for Oil or Propane Forced Hot Water Heating Systems:

\$100

One per heating system
